Roll-a-Tower Race

Level 1
1. **Roll** a 1-6 dot cube.
2. **Build** a tower as you count. Use the number you roll.
3. **Place** the tower on the game board, on the column that matches your number.
4. **Roll and build** until a column is filled and that number has won.

Use 4-9 dot cubes and Tower Game Board for more fun.

Level 2
Play the game exactly like level one, but use a number cube in place of a dot cube.

Things You Need:

**Level 1:**
- Connecting Cubes
- Roll-a-Tower Game Board (1 per child) [BLM 30-31]
- 1-6 and 4-9 Dot cubes

**Level 2:**
- Replace dot cubes with number cubes
